

Temecula Children's Music Foundation
2023 Suzuki Concert
Registration Form

Introduction

Hello Inland Empire strings teachers, students and parents! On October 28th **Temecula Children's Music Foundation** will be hosting an **All Area Suzuki Concert** in Temecula at Grace Presbyterian Church at 10am. This is a wonderful opportunity for string teachers and students in our valley to get to know each other and support each other in the quest to become incredible musicians. It's also a great opportunity for students to perform in a stress free environment with many other students together on stage.

This event will occur annually going forward. This event is hosted by Temecula Children's Music Foundation (TCMF) and the Temecula Conservatory of Music.

What is a Suzuki Concert?

This type of concert is special in that students play Suzuki pieces from memory that have been chosen in advance, on stage with each other. They will perform with pre-recorded piano accompaniment.

We start with the bass students playing their list of pieces followed by the cello students, viola students and ending with the violin students.

When, for example the violins stand up to play, they will all start with the easiest of all songs on their list "Twinkle, Twinkle Little Star". Once this piece has been performed, those students who only know that piece will sit down. The remaining standing students will then play the next most difficult piece on the list, "Go Tell Aunt Rhody". Once that piece is finished those students that do not know the following pieces will also sit down. From there each piece will be performed with the final piece, "The Bach Double Two Violin Concerto" being played by the most advanced players.

Concert Attire

Performance attire for this concert will be “Sunday Best” which means dresses for girls and shirt and tie for boys.

Concert Schedule

10am Concert day- students please arrive at 10am for warm up and tuning.

10:30am Concert starts! It should last a total of 60 minutes.

How do I register?

To register simply fill out the registration form at the following link.

https://temeculaconservatory.na4.documents.adobe.com/public/esignWidget?wid=CBFCIBAA3AAABLbIqZhDeTRPvHyXVYnfPOasCRHKV8isnbSL7j0TzYsobeSHy-cFKUO4xpGkrBrEKBORmjD8*
